01

A little market. A better workday.

Turn an everyday breakroom into a convenient place to find a quick bite, a cold drink or something for later.

EXAMPLE COMPACT SETUP

01

Pick your favourites.

Browse open shelves and refrigerated choices.

02

Scan and pay.

Bring your items to the self-checkout station and follow the payment prompts.

03

Enjoy your break.

Grab a snack or lunch without a separate trip out.

A mix made for your team.

Sweet and savoury snacks, refreshing drinks and convenient lunch choices. Product selection is agreed for each location.

Designed around your space.

EXAMPLE CORNER SETUP

Offices

Make the kitchen or break area a convenient stop throughout the workday.

Lunchrooms

Bring snacks, drinks and lunch choices into the space your team already uses.

Warehouses

Explore a market layout around your staff, shifts and available breakroom.

From a compact wall arrangement to a dedicated corner, we start with your available space and the people who will use it.

Let's make room for better breaks.

Tell us about your workplace. We'll discuss a market setup, product mix and service arrangements suited to your location.

START WITH A FEW SIMPLE DETAILS

01 **Your team**

Approximate staff count, attendance and shifts.

02 **Your space**

A few photos, approximate dimensions, power and access.

03 **Your favourites**

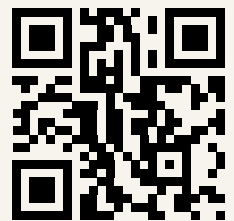

The snacks, drinks and lunch choices your team enjoys.

Start a conversation.
